Ocean Grove is a major holiday destination on the Bellarine Peninsula, located 25 km south-west of Geelong and 98 km south-west of Melbourne. Melway 497G1.

Ocean Grove's beaches are some of the best in Australia, great surf and golden soft sands all protected by high dunes. The beach is a favorite all year round whether it be for surfing, swimming or lazing in the sun.

This picturesque town lies on the eastern bank of the Barwon River estuary which separates it from its twin town Barwon Heads. The river connects the ocean to Lake Connewarre. As these towns possess both the closest ocean beaches to Geelong and safe family beaches along the riverbank, they are popular holiday destinations with a wide range of holiday activities. Ocean Grove is only minutes away from the family attractions of Wallington, 20 minutes from historic Queenscliff and 15 minutes from Torquay and the Great Ocean Road.
